$\text{♩} = 60$

Play with no vibrato and listen to the center of your sound

7 *f*

Flutter Flutter & sing

11 Connect each notes as if it is a brightly color ribbon

mf

13 Without tonguing, use breath pulses with core support for each "x"

17 Clear cripy tonguing - as if each note is bouncing from the bottom of your head joint

20 Focus on smooth transition of fingers and consistent air flow

25 Use cantabile air strokes

28

29 Listen for the heart of the sound

Finger the lower notes for the diamond head harmonics and match pitch.
